

PURCHASING DEPARTMENT

Notice of Award

February 1, 2022

File Name: Innio Waukesha

The non-competitive negotiation process will handle the below procurement. It has been determined that it is fiscally advantageous to use non-competitive negotiation since the procurement has more considerations than price alone. Specifically, in this case the factors other than price are:

Matt Oldham Fleet Manager advises " Concerning the rebuild/repair of the landfill generator (Jenbacher). There is only one known vendor that offers this service and that is Innio, Waukesha, and Jenbacher gas engines. Innio is now owner of Jenbacher manufacturing and that is where the engine will be rebuilt. These parts are for upfitting the rebuilt engine.

It is the intent of the City of Martinsville to award a Purchase Order to Innio Waukesha for upfitting parts for the new engine. The City will issue Purchase Order 855 to Innio Waukesha, for the following items:

Upfitting Parts for Landfill Generator

Totaling - \$\$68,908.33

Zach Morris, Purchasing Manager
